

# Markers Of Beautiful Memories

Words by Clementine/Ian Sarabia

Music by Clementine

## The Camerawalls

*Note: Capo on 2<sup>nd</sup> fret. Original key is F#*

**Intro:** E – Am – E – Am  
E – Am – E – Am – Am6

E Am E  
Your face is a welcome interlude  
Am E  
Like a lift back into school  
Am E – Am  
It's all hearts and flowers

E  
Love's umpire called time  
Am E  
You have taken root in my mind  
Am E  
Like a heavenly infection  
Am E – CM7 - D  
Taking leave of my senses

### Refrain:

E Bm7  
A riot in the heart  
A Am7 E  
Come ruin or rapture may we never part  
Bm7  
A blue mystic light  
A Am7  
I carry a torch and a pocket guide  
E Bm7  
Am-Am6  
To the markers of beautiful memories

E Am E  
I was given to fits of lost traditions  
Am E  
Now I'm living on sealed confessions  
Am E - Am  
Oh, such a sweet distress

E  
Suspended pipe dreams are touching  
Am E  
Revolving and spinning  
Am E  
Am I accursed or blessed it's uncertain  
Am E – CM7 - D  
Oh, I have faith in my bearings

### (Repeat Refrain)

**Instrumental:** (use intro chord pattern)
