

Solitary North Star

Words & Music by Clementine

The Camerawalls

Note: #capo on the 4th fret. Original key is EM7

Intro: CM7 - FM7 (4x)

CM7 FM7 CM7
The sun rises and sets without saying goodbye
FM7 CM7 FM7
Only leaves spectacular rays before it sleeps
CM7
right before our eyes.
FM7 CM7 FM7 CM7
Silently being covered by night's naked blanket
FM7
of mystery
Em A7 FM7break
For sometimes only in darkness can we realize
Cbreak G
depth and significance
FM7 CM7
Of movement and time,
Em A7
Of people and purpose,
FM7break, Cbreak G
And of infinity, Yes, Infinity

Refrain 1:

FM7
As we gaze at the vast space above us
Em A7 FM7
Beyond the clouds; fabled stars will appear
Dm7break, FM7break Gsus
Do you count or look intently for brief
G
moments of wonder?
CM7 FM7
There is beauty in darkness.
CM7 FM7
There is beauty in darkness.
CM7 FM7
There is beauty in darkness.
CM7 FM7
There is beauty in darkness.

Bridge:

Em
For during times my life is covered with
Am
shadows
Em F G
My road hardly visible with devious fog
Em Am
And storms chasing my strength and bleeding
FM7
me dry
Dm7break FM7break
I close my eyes and think of you
Gsusbreak
My solitary North Star.

Refrain 2:

FM7
As we ease the vast space between us
Em A7 FM7
Beneath our eyes; twinkle of tears will appear
Dm7break, FM7break, Gsus
Do we kiss or look intently for endless
G
moments in wonder?
CM7 FM7
There is beauty in absence
CM7 FM7
There is beauty in absence
CM7 FM7
There is beauty in absence
CM7 FM7
There is beauty in absence
